

RESOLUTION #4 (2009)

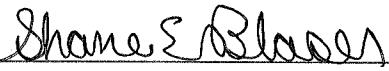

WHEREAS, the City of Wisconsin Rapids Common Council believes in the principles of sustainability, and vows to apply these principles in its planning, policy making, and practices in the future.

WHEREAS, renewable energy is a vital part of sustainability.

NOW THEREFORE BE IT FURTHER RESOLVED, The City of Wisconsin Rapids supports the advancement of Wisconsin's vision for energy independence, by establishing the goal of replacing 25% of the Wisconsin Rapids energy sources with renewable resources by 2025.

Adopted: 03-03-2009
